**Treasurers Report:** Circulated prior to meeting. Figures down slightly, we received a donation from Community Works for £330. Jean suggested using it for a banner for the Kemptown Festival. (Please see AOB) . Treasures report accepted: Proposed by Rev Michael and seconded by Ann Wilkinson. Accepted unanimously by the board.

**Events Team:** N/A

**Stewardship Team:** N/A

**Health and Safety:** N/A

**Charitable Status:** Now that all the information has been collected and sorted, Nigel is going to review and then send it.

**Sleepsafe:** Rev Michael is to meet with Greg to see what is happening on the streets. Linda is not well enough to give any input. Mary Bachoo gave Rev Michael 250 leaflets.

**Pride:** We received a invite from MCC Brighton to join them in the parade. It was discussed and decided it needed further thought and to send a message back to Andrew thanking him and to say we will let them know later. Also we talked about possibly using Pride as a chance to promote Sleepsafe.

**Focus and Targets:** Rev Michael said the role of the board is to focus on the goals and objectives of the church. Also to do some training with the board members to help the board work more effectively. Rev Michael will put out emails.

**Any other Business:** It was discussed using the money donated for a banner promoting Sleepsafe that could be used at the Kemptown festival and possibly Pride. Any leftover funds to be used to promote the church. Proposed by Rev Michael and seconded by Ann Wilkinson. Accepted unanimously by the board. Also to arrange a Events team meeting soon as the festival is not far away.

Rev Michael wanted to remind everyone that A.O.B is for items that come up during or too close to the meeting to go on the agenda. Sarah suggested asking people prior to the next meeting, if anyone has anything they would like brought up at the next board meeting.

**Wendy Burgess closed in prayer at 8.30pm.**

## Pastor's report for April 2016.

After the business of Easter in March the month of April seemed quiet. The *Sleep Safe* team hasn't been able to meet but has been given a donation so we can order posters and handouts that are more durable than can be produced domestically. The site is being accessed so we know that the community is being reached.

April was most definitely overshadowed by the sudden and unexpected passing of Bryn, Jaz' father. I was privileged to meet with the family, and then facilitate the funeral. The family chose a humanist style service that was a celebration of life, and the readings, stories, and music all reflected a man that celebrated life and was dearly loved. Our sympathies go out to Jaz, Jean, and the family.

Alas, Robert Douglas lost his brother-in-law who had been ill for some time, and so our sympathies also reach out to him. His sister's family lives in New Zealand and Robert was not able to fly out for the funeral. Fortunately he had recently been able to spend quality time with the family there and the death was not unexpected.

My own family suffered loss as Chris' cousin lost her battle with lung cancer. She left two children, 13 and 15, and family, that we are supporting as best we can.

On a happier note I have booked the stall for the Kemptown festival and am very pleased that we have been placed in the *Arts and Crafts* section. This means a stall is provided, complete with coloured bunting, and all we need to bring is posters, flyers, and chairs. The events team envisioned a 5 question handout that people could mark, with haribo and other sweets as prizes for the answers. Please see the suggested handout below. (Do you know the answers?).

Alas no one has come forward to support a Pride outreach (either walking in the parade or a presence in the park) so this year we will be focusing on the *Brighton Gay Men's Chorus Sleep Safe* fundraiser on the Friday evening, and our own Pride service on the Sunday evening. Volunteers are still needed for the Friday evening.

Brandan Robertson's visit on June 8<sup>th</sup> will take place at the Somerset Day Centre. I have sent out a special newsletter and contacted local church groups. I should have some of his new book for sale on the night. His train fare was about £30, we simply need to agree on an honorarium. This is a very special event, a milestone in the life of the church, and I am very honoured that he is taking time to visit us.

During April there were three pastoral visits, two 'get to know you better' member visits, as well as funeral arrangements and a funeral service. I am so glad to see that Linda is making a recovery as she has been very poorly – we all wish her a full recovery. Wendy and Nicki have now moved to Spain so although I am happy that they are making valuable use of their retirement they will be dearly missed.

Love

Rev. Michael.
